

GOSPEL

The Good News Of Christmas is That God Does The Impossible!

Luke 1:26-38

- (1) Gabriel's greeting exposed the fundamental _____ of the Gospel – God's Grace!
(1:26-30)

Note: The Good News is that Jesus Christ is the way for us to have _____ with God! He is with all those who by faith (not trusting in their own works but His) surrender their lives to Him.

- (2) Gabriel's message declared the fundamental _____ of the Christ to be fully God and fully Man! (1:31-35)

Note: If Christ is not fully God and fully Man then there is no good news in the Gospel and absolutely no purpose or hope to anything in the _____.

- (3) Gabriel's message declared a fundamental characteristic of God – Omnipotence (All _____)! (1:36-38)

Note: The Gospel is Good News because the author and controller of it is the only one who is all powerful – _____!

Challenge: God's will is that He works through our _____ in Him (By GRACE through FAITH). Therefore, are you surrendered to Him and seeking Him with all your heart (AKA – FAITH!), and as such, positioned to engage all He is, has done, is doing and will do?
