Titus 3:1-8

- (1) The restored life calls and equips us to live _____ with others. (3:1-2)
- (2) The Gospel, that restored us into eternal life, eliminates every _____ to NOT live humbly with others! (3:3-7)
- (3) The Gospel promises us that living humbly with others is _____ it! – 3:8

Challenge: Who are the people you are justifying not living humbly with? Is your life described as a giver or a taker? Who are the people you are blessing that could never return what you have given? Do your neighbors, people over you in authority, people under you, people around you, your spouse, kids and family seeing a person of humility that blesses their life or a person of arrogance that takes from their life? Is your attitude and interactions with others defending who you want others to think you are or presenting who _____ is?
