Challenge: Your faith is never stronger than what your faith is _____, therefore, who you believe God to actually be determines the nature and measure of your faith. Therefore, to believe God is worthy to be loved, trusted, obeyed and ultimately worshiped no matter what requires that you believe God to be who the Bible claims Him to be - the absolute Creator, King, all knowing, all powerful, sustainer and authority over everyone and everything (GOD!) who intentionally sent His own Son to suffer the eternal wrath for your sin!
