

## How To Minister To The Broken

Job 2:11-13

- (1) The concept of Job 2:11 sympathy is the \_\_\_\_\_ that provides relational trust, safety and stability. (Romans 12:15, Hebrews 4:14-16, Isaiah 53:3-5)
- (2) The concept of Job 2:11 \_\_\_\_\_ is the support that directly promotes healing. (John 14:16-7, 26)

### Challenge:

- (1) Who are the people you genuinely hurt and rejoice \_\_\_\_\_?
- (2) Are you \_\_\_\_\_ motivated by the fulfillment of doing for others or the empathy of actually hurting with others? One motive tends to lead people to disaster but the other to healing!
