

How Do We Know We Are In Sin?

Job 26-27

- (1) Job blasts Bildad (and by implication his other two friends) for arrogantly presuming to be able to _____ what and why God was doing all this to him. (Job 26)
- (2) Job accuses his friends of being false accusers and as such they are the ones who will end up under the _____ of God! (Job 27)

How does the New Testament teach believers to identify sin in their life?

- (1) _____ Sense! (Galatians 5:19-21)
- (2) Your _____. (Hebrews 9:14, Acts 24:16)
- (3) What I'm doing may not be technically wrong but if is wrongfully effecting others in a way that I can _____ change then I should.
- (4) The Holy Spirit opens our hearts and minds to the truth of the _____ as well as our own sin. (John 14:15-17, 26)
- (5) The _____ (God's Word to man!) as understood through the New Testament. (2 Timothy 3:16, 1 Corinthians 9:21)

Challenge: How serious are you taking your propensity to sin and the devastation it can cause? Are you _____ with God on what He calls sin and thus confessing and repenting?
