

## It is Never Useless to Serve God!

### Job 35

- (1) Elihu argues that God's plans are not affected by the righteousness or sinfulness of man but man's \_\_\_\_\_ in this life certainly is! (35:1-8)
- (2) Elihu \_\_\_\_\_ argues that God is not responding to Job because Job is not crying out in worship of God but rather Job is just wanting to be relieved of suffering. (35:9-13)
- (3) Elihu argues that Job is being a \_\_\_\_\_ for suggesting that God is being unjust simply because he isn't seeing God punish the wicked. (35:14-16)

**Challenge:** Are you making excuses to continue in sin, in that somehow you feel justified to do what you are doing to yourself and to others. Are you believing a lie that you are \_\_\_\_\_ in rejecting the authority of God over you?
