

Haggai 2:4-9

Haggai 2:4-9 gives two massively encouraging reasons for the Jewish people to be strong, keep working, and not live in fear:

- (1) God assured them that He was _____ them! (2:4-5)
- (2) God personally guaranteed the successful reconstruction of the temple and its ultimate purpose—point the world to Christ, the Gospel, and the _____! (2:6-9)

Challenge: What does the use of your time, talent, and money say about how much you _____ God and His work to prosper HIS eternal life in your family, community, and the rest of the world in and through your local church? (Revelation 5:11-14)
