

Grace Didn't Die
Galatians 4:21-31
Faith versus Religion

- (1)** Like Hagar and Ishmael, The Mosaic Law (Judaism) is the product of man's failed efforts, whereas the New Covenant in Christ is completely the product of God's _____! (4:21-23)
- (2)** As the promise placed Sarah's son Isaac in a superior blessing to that of Hagar's son Ishmael, so the New Covenant places us in a _____ blessing than the Mosaic Law (Judaism). (4:24-27)
- (3)** As Ishmael mocked Isaac, religion will always mock the New Covenant, including the religious thinking and _____ in our own life! (4:28-31)

Challenge: What do your actions and motives say about your _____? Is it based on God's Word and works, or yours?
