

**Grace Didn't Die  
Grace Giving  
Galatians 6:6**

**“6 Let the one who is taught the word share all good things with the one who teaches.”**

**There are two universally ethical expectations about giving in the Bible.**

- (1) It's Biblically ethical to be expected to give to \_\_\_\_\_.
- (2) It's Biblically ethical to be expected to \_\_\_\_\_ in proportion to what you've been given.

**There are four important conclusions we need to make from Galatians 6:6.**

- (1) It is almost universally accepted by scholars that the \_\_\_\_\_ Paul is talking about are the local church pastors who have been called and equipped by God to lead and shepherd His church.
- (2) The command to give is not based on the value of the teacher or his gifting, but on the value of that which is \_\_\_\_\_ – God's Word!
- (3) Pastors are as responsible for teaching, as partitioners are for \_\_\_\_\_.
- (4) The church is commanded to \_\_\_\_\_ support the pastors who faithfully execute the responsibility of teaching God's Word.

**Challenge:** New Testament giving is a response to the measure of \_\_\_\_\_ we have been given in Christ, which means we can do nothing short of surrendering \_\_\_\_\_ our time, talent and money to be used by God however He wants. As such, are you financially supporting your local church as one who has surrendered everything to Jesus; as one who understands the importance of the preaching of the Gospel to save people from eternal damnation; and ultimately as one who understands the significance of the ministry of the Gospel through your local church to your own life and family?
