The Way To Win
Joshua 10:1-11:23**

In Joshua 10 and 11 we see three ways Joshua motivated the people of Israel to fight to win rather than not to lose:

- (1)** Joshua publicly _____ complete confidence in the Lord. (10:1-15)
- (2)** Joshua intentionally used the five Amorite Kings as an object lesson to _____ the men of Israel they had no reason to fear the fight. (10:16-27)
- (3)** Joshua personally _____ Israel in a relentless campaign to dominate and destroy all the Kingdoms in Canaan. (10:28-11:23)

CHALLENGE: Are you fighting not to fail by falling into sin or fighting to _____ by living in Christ? One is motivated by a fear of failure and the other is motivated to win! One will consistently lose, and one will consistently win. (Romans 6:5 & 13, Philippians 3:12-13)
