

## THE REIGN OF SIN

### The Horrible Picture Of The Curse Of Sin Revelation 6

- (1) The collective reality revealed as the seals are removed is that the reign of sin is the reality of death, not just as the destiny for all living things, but also the constant \_\_\_\_\_ for all living things.
- (2) The collective reality revealed as the seals are removed is that the reign of sin over the world is an \_\_\_\_\_ curse issued by the eternally sovereign all-powerful God and therefore God is the only one that can extinguish it.

**Challenge:** \_\_\_\_\_ in this world is a testimony to the reality of the curse of sin (death), therefore, what are the things in this world that you are trying to find life and peace with? The reality of the curse of sin should leave us clinging to Christ yet we constantly find ourselves clinging to what has been made dead from the curse of sin.
