

Know Who You Are!

Romans 6:1-11

- (1)** Our _____ identity is destroyed! - Our identity as a lost sinner incapable of living in God's righteousness died when Christ died. (6:1-3)
- (2)** My _____ identity is life! - Our identity is no longer the sinner that died but the saint that is raised free from the power of sin! (6:4-5)
- (3)** My _____ identity is totally free! - Christ died to totally free us from the presence of sin, therefore we are expected to live like it now! (6:6-11)

Challenge: Do you view the _____ as inspiration to repent and walk in glad submission to Him or as an entitlement to sin and not worry about it? One is the attitude of a person whose identity is in Christ and the other is the identity of somebody who is lost.
