

## God's Will

Romans 8:28-30

**(1) God uses even the worst evil done to those who love Him, for the \_\_\_\_\_ He is accomplishing in them. (8:28)**

- a. This truth \_\_\_\_\_ applies to those who are saved. – “And we know that for those who love God”
- b. The specific things Paul is saying God redeems to accomplish good, are the \_\_\_\_\_ of living with the presence of sin. – “all things work together for good”
- c. The good God accomplishes is defined by the purpose He has called us (His \_\_\_\_\_!) – “for those who are called according to his purpose.”

**(2) The \_\_\_\_\_ that God is accomplishing in His people is to set them free from sin so that they can be like Christ! (8:29-30)**

- a. This is God's plan \_\_\_\_\_ us, not ours for Him! - (8:29a)
- b. The \_\_\_\_\_ for this good is the glory of Christ! - (8:29b)
- c. God takes the \_\_\_\_\_ of doing all the heavy lifting involved in the process of setting us from sin! - (8:30)

**Challenge:** A life of faith is a life lived trusting what God has said to be true. Therefore, as a follower of Christ, are you living life as if there is something more \_\_\_\_\_ than you being rescued from your own sin that keeps you from truly enjoying a perfect and eternal relationship with God and all who are in Him?
