**Prophetic**  
**1 Samuel 7**

In 1 Samuel 7 we see 3 of the universal jobs of a prophet of God:

**(1) \_\_\_\_\_ God's people through repentance. (7:1-6)**

Note: "Samuel understood that repentance involves far more than feeling sorry about our sin. Most people are sorry only that they got caught sinning or for the misery they have experienced as a result. But true repentance begins by being sorry over the sin itself and then goes on to forsake sin so completely as to turn to God in new obedience." (R.D. Phillips)

**(2) \_\_\_\_\_ God's people to trust Him. (7:7-11)**

**(3) \_\_\_\_\_ God's people to continually remember Him. (7:12-17)**

**Challenge:** How well are you prophetically influencing the people in your life? How are those in your life being encouraged to repent from sin, trust God in all things, and never forget Him or His Gospel. How are you speaking \_\_\_\_\_? (1 Corinthians 12:9-10)
