The Delusional Reality of False Teachers
2 Peter 2:17-22

2 Peter 2:17-22 gives four descriptions of the delusional reality of the false teachers:

- (1) They claim to bring something _____ and restorative but, instead, bring gloom and darkness. (2:17)
- (2) They claim to be people of _____, but they only appeal to those who are shallow in their faith. (2:18)
- (3) They promise _____ but are only capable of offering slavery! (2:19)
- (4) Despite their claims, they actually are not, nor have they ever been, _____ followers of Jesus. (2:20-22)

Challenge: Are you living in Christ or a _____ of being in Him? Only one has eternal life as their present and future. (Matthew 7:21-13, John 3:3; 12:25)
