**How to Fight Your Pride and Arrogance**

The following are three New Testament keys for understanding and battling pride and arrogance in your own life.

- (1)** Never forget that no matter how successful or talented you become, you are \_\_\_\_\_ before God and the universe He created us to live in. (Job 41:1-5, Romans 11:36, 1 Peter 5:5b-6)
  
- (2)** Remember that you will not be judged on how well you feel you successfully achieved what you felt was right but rather how well you walked in what \_\_\_\_\_ says is right! (1 Peter 1:14-19)
  
- (3)** Study God's Word, paying special attention to Christ's life and teachings, to see what true love and humility look like. This will help you recognize what doesn't measure up in your life and give you the ultimate \_\_\_\_\_ to want to live a life of His love and humility. (Philippians 2:5-11)

**Challenge:** Is your life defined by a proper \_\_\_\_\_ to HIS glory or an effort to get glory?
