

The first part of Haggai's second sermon (2:1-3) provides every follower of Christ with three important reminders:

- (1) The _____ of the second sermon reminds us that it doesn't take long to start getting discouraged in your faith. (2:1)
- (2) The _____ of the second sermon reminds us that everybody's faith can get discouraged. (2:2)
- (3) The _____ in the second sermon reminds us we can forget how glorious God and all we have in Him is! (2:3)

New Testament Application: The primary way Satan will attempt to discourage our faith is to convince us that things of this world are more _____ than God and all we have in Him through Christ. The following are three examples of the glory we've been given through Christ:

- (1) In Christ alone we are guaranteed the right to be _____ as God's fully favored sons and daughters forever! (John 1:12-13, Galatians 4:4-7, Ephesians 1:3-6)
- (2) In Christ alone we are guaranteed the right to _____ perfect eternal peace, joy, and love with God and all who are in Him forever. (John 17:1-3, 22-23, Ephesians 1:13-14, Revelation 21:3-4)
- (3) In Christ alone we are guaranteed the right to be a part of the most glorious _____ ever! (Revelation 21:9-27)

Challenge: What does the use of your time, talent, and money say about how much you prioritize God and His work to _____ HIS eternal life in your family, community, and the rest of the world in and through your local church? (Matthew 6:19-21)
